

CFHU NOW

THE DIVERSITY AND INCLUSION ISSUE

A university that promotes diversity and inclusion is a university that fosters equality and allows each student to feel welcome and protected. At Hebrew University in Jerusalem, we believe in the power of diversity to promote these goals.

We are profoundly grateful to our Canadian friends who also recognize that knowledge has no borders. These donors have been and continue to be instrumental in supporting our mission and we hope you will be as inspired as we are by their stories.

PHILANTHROPY
